Angel Water  
214 S. Hager Av.  
Barrington, IL. 60010

Dear Sir:

We are writing you to express the complete satisfaction of our entire family (5 members) concerning the work your company has done for us over the years. We have used your service for the past 25 years for many unique problems associated with our well water. The water we get from our well is extremely hard and loaded with damaging iron. Through the work of your employees, we have been able to have good tasting water and clean clothes with no problems whatsoever.

We all thank you for your continued service.
