

What can you Expect from your Appointment with our Costco City Water Educator?

Let's talk about your city water!

1.

Beep Beep! Angel Water here to inspect your city water!

Our educator will arrive at your home within the scheduled time window.

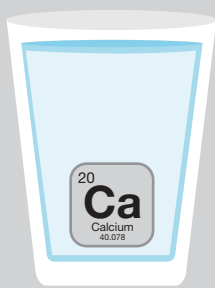

Woof.

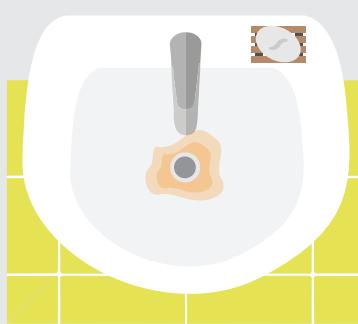

2.

He or she will test the aesthetics of the water:

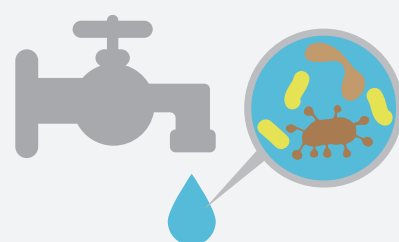

Calcium/Bedrock = White film

Iron = Orange Staining

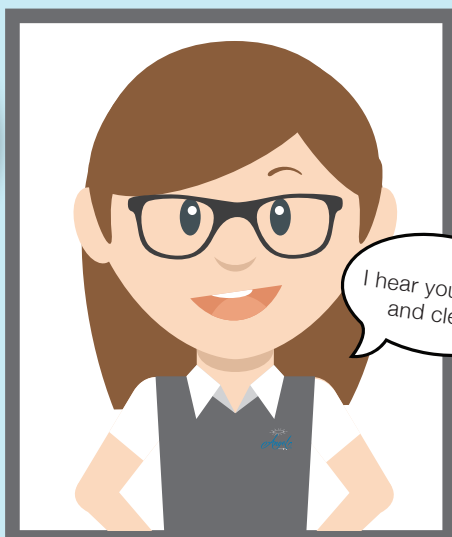

TDS - Total Dissolved Solids = Particles in Water

FYI: more in depth purity testing is available, but may require outside laboratory testing and an additional cost

3.

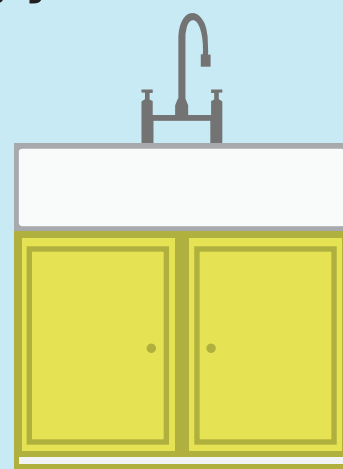

Listen to your needs.

4.

And do a demonstration to show the effects water has on your pocketbook.

Check your fixtures for damage caused by your water.

5.

Your water educator will also share how your water was rated in the NY Times Toxic Water Report.

Keep in mind your city water does not filter water they only TREAT water with Chemicals.
