

What can you Expect from your Appointment with our Costco Well Water Educator?

Let's talk about your well water!

1.

Beep Beep!
Angel Water here
to inspect your
well water!

Our educator will arrive at your home within the scheduled time window.

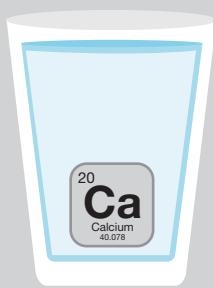

Woof.

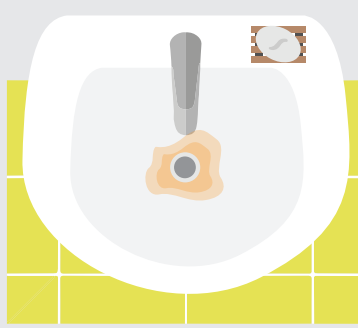

2.

He or she will test the aesthetics of the water:

Calcium/Bedrock = White film

Iron = Orange Staining

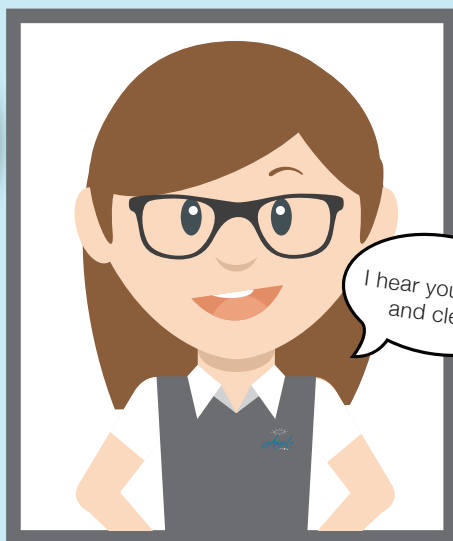

TDS - Total Dissolved Solids = Particles in Water

FYI: more in depth purity testing is available, but may require outside laboratory testing and an additional cost.

3.

Listen to your needs.

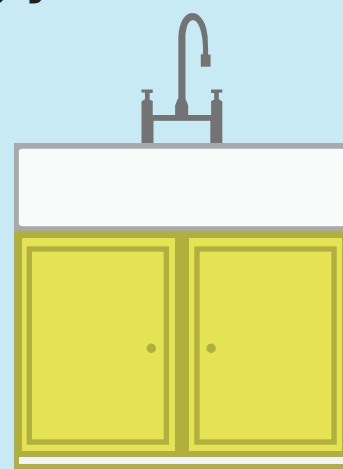

I hear you loud and clear!

4.

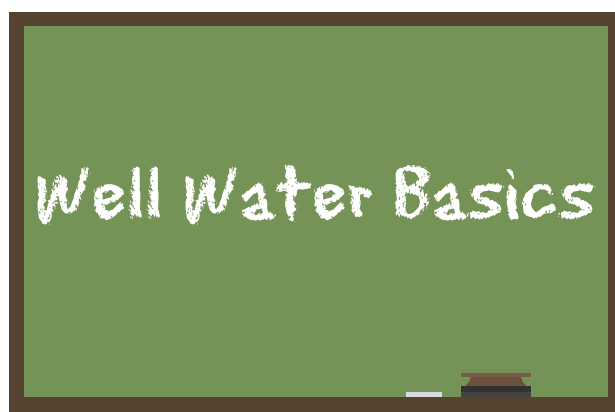

And do a demonstration to show the effects water has on your pocketbook.

Check your fixtures for damage caused by your water.

5.

Teach you about your well and the equipment required to insure it provides safe, healthy water for your family.

6.

Your Water Educator will help you pair your needs to products that will make your water AMAZING at a price that won't break the bank.

This water is so good!
